

SACHDEVA PUBLIC SCHOOL, PITAM PURA

No.:- SPS/Admn.1/15/2026

Dated:- 18th August, 2026

PARENTAL CIRCULAR

Dear Parent,

National Deworming Campaign is scheduled to be held from Tuesday, 18th August, 2026 to Saturday, the 22nd August, 2026 under the guidance of Directorate of Family Welfare, GNCTD.

The Campaign involves administration of single age appropriate dose of Albendazole to all children and adolescents in the age group of 1 – 19 years.

Interested parents can collect the deworming medicine from the school Medical Room from Tuesday, 18th August, 2026 to Saturday, the 22nd August, 2026 between 12.00 Noon to 2.00 p.m.

In case of any emergency, please contact Dr. Archana, Dr. Baba Saheb Ambedkar Hospital (BSA), Contact No. 7065023107.

Please Note : All parents must carry the Parent I-card every time they visit the school.

With regards,

Yours faithfully,

(**MONA RASTOGI**)
PRINCIPAL

REMEMBER NATIONAL DEWORMING DAY

18 - 22 August 2026

All Children Aged 1 - 19

Will be administered Albendazole deworming tablet at schools and Anganwadis.

School-enrolled children (5-19 years)

Ensure your child attends school and chews and swallows the deworming tablet provided by school teacher.

Children aged 1-5 years / Out-of-school children / adolescents

Ensure your child visits the nearest Anganwadi Centre & chews & swallows the deworming tablet provided by the Anganwadi Worker.

IMPORTANT INSTRUCTIONS:

- Ensure the deworming tablet is crushed and administered to children between 1-3 years.
- Ensure children aged above 3 years, always chew the tablet and swallow it with clean drinking water for proper absorption.
- For more information contact your healthworker/ Anganwadi worker/ teacher.

**Let's Build
a Healthier
Future
Together!**

GOVERNMENT OF NATIONAL
CAPITAL TERRITORY OF DELHI

**National
Deworming Day**
18 - 22 August 2026

**HEALTHY HABITS,
HAPPY KIDS**

**PROTECT YOUR
CHILDREN FROM WORMS**

Remember to:

Keep your nails clean
and short

Wash your hands with
soap, specially before
eating and after using
the toilet

Always drink clean
water

Always use a toilet and
not defecate in the
open

Keep food covered

Wear shoes

Wash fruits and
vegetables with clean
water

Keep your
surroundings clean

Children with worms always feel tired due to malnutrition and anemia and can suffer from impaired physical and cognitive development.

Remember, Prevention is Key!
